

This architectural floor plan depicts a large rectangular building with a central corridor system. The layout is organized as follows:

- Left Wing:** Contains a vertical row of seven stalls labeled STALLO 1 through STALLO 7. STALLO 4, 5, and 6 are designated as 'SOMMINISTRAZIONE' (administration). To the left of this wing is an area labeled 'DEHORS'.
- Central Wing:** A large central area containing a grid of stalls. STALLO 8 and STALLO 12 are at the top, followed by STALLO 9 and STALLO 13, then STALLO 10 and STALLO 14, and finally STALLO 11 and STALLO 15 at the bottom. This wing is flanked by 'PASSAGGIO' (passage) areas.
- Right Wing:** Features a vertical row of seven stalls labeled STALLO 16 through STALLO 21. STALLO 16 and STALLO 17 are at the top, followed by STALLO 18, STALLO 19, STALLO 20, and STALLO 21 at the bottom. This wing includes several specialized rooms:
 - Top right: 'SPOGLIATOIO' (locker room), 'FILTRO' (filter), and 'BAGNO' (bathroom).
 - Middle right: 'LOCALE TECNICO' (technical room) and 'LOCALE CONDIZIONATO' (climate-controlled room).
 - Bottom right: 'ANTIBAGNO' (anti-bathroom) and multiple 'BAGNO' (bathroom) units.
- Entrances and Circulation:** The plan shows multiple entrances along the top and bottom edges. A central 'PASSAGGIO' corridor connects the left and right wings. Specific entrance points are marked with hatched areas and labels like 'Passo della passerella impio'.
- Other Features:** At the bottom center, there are two 'CORNER' areas. The entire building is enclosed by a dashed line representing the perimeter wall.
